Starlight Ice Dance Club of the Twin Cities

2017 – 2018 Skating Season

Dear Prospective Member:

Thank you for your interest in the Starlight Ice Dance Club of the Twin Cities (Starlight). As the only social ice dance club in the Twin Cities area, Starlight's focus is to provide social ice dance at a beginning level for those interested in staying in shape, exploring their artistic side and meeting others who share their enthusiasm for ice dance. Skill levels of our members range from beginner to advanced. Starlight began social ice dancing in 1993 and became a member club of U.S. Figure Skating in 1996.

Since the majority of Starlight members are adults, activities are scheduled as much as possible to allow a balance of work, family and skating. Board members choose to keep the club simple and focus on the key activities that promote ice dance. There are no attendance requirements or volunteer requirements, but you can contact any board member if you'd like to get involved, and we'd appreciate your participation.

You'll find the communication from the club is minimal. Generally, email is used due to its speed and low cost. The website, www.starlighticedanceclub.com is kept up-to-date with upcoming events. Starlight does not host test sessions or competitions, but we encourage members to take advantage of the many opportunities in the area.

Club bylaws are available on the Starlight website homepage. All Starlight members (including associate members) age 18 and over are eligible to vote on club matters. For members age 17 and under, votes may be submitted by a parent or guardian.

SOCIAL ICE DANCE at Parade Ice Garden

- Summers – Tuesday evenings, 7:30 – 8:45 p.m., June through August
- School year – Most Thursday evenings, 7:30 – 8:45 p.m., beginning September
- Come try ice dance. The contract price has been under \$10 per hour, so you can miss a few and still know you're getting a great deal! We also offer 40% off your first contract and \$7 ice dance sessions for those who skate pre-bronze and below.

ICE DANCE EVENTS

If you would like more information on any of the following, please ask a board member or check the Starlight website.

- Ice Dance Weekend 2017 – July 2017 at the Bloomington Ice Garden. See website to details and registration.
- Special Social Ice Dance evenings – Halloween Costumes, New Year's Formal, etc.
- Ice Shows – Starlight is invited to participate in several ice shows. All ice dancers are welcome to participate.
- Annual Membership Meeting and Awards Ceremony

GROUP LESSONS

The Board intends to purchase ad-hoc hours of ice, possibly 2-4 times during the year, for group lessons on a specific topic. Please contact a board member if you have any requests for these lessons.

Testing and Competing

- **Club permission is required for all tests or competitions in the U.S. Figure Skating system.** The registration info provided by the host club indicates who must sign/email permissions. Generally, tests require the emailed permission of the Test Chair, and competitions require the signature of a club officer (President, Vice-President, Secretary, or Treasurer), but there are exceptions. READ the form so you know who to contact. Plan ahead and allow time for telephone tag or mail transit.
- **Testing** – Starlight does not sponsor test sessions. You are welcome to test with any club that allows it or Twin City Figure Skating Association (TCFSA) sessions. Per USFS requirements, you will need a permission to test sent to the club where you will be testing. Email the test chair for more information.

Twin City Figure Skating Association (TCFSA)

Twin City Figure Skating Association is a group of clubs based primarily in the Twin Cities that work together on any cause that will benefit many or all member clubs. For example, TCFSA sponsors local test sessions, the Minnesota State Competition, and national/international skating events. TCFSA also worked to develop standards for high-school lettering in figure skating. For more information on TCFSA, visit www.tcfsa.org or contact Starlight delegates, listed below.

Club Jackets

Club jackets are black fleece zip-up jackets, with Starlight's name and logo. Jackets can be personalized with a name on the front and/or "Starlight" on the back. Contact Diane Geving if interested in ordering a jacket.

Becoming a Member

All memberships run from July 1 to June 30, regardless of when your membership requirements are submitted.

Membership Categories:

- **FIRST FAMILY MEMBER** – This is the standard membership; includes USFS and Starlight memberships plus Skating Magazine.
- **ADDITIONAL FAMILY MEMBER** – For those with several skaters in the family, this membership provides a discount for all memberships after the first one. Multiple family members must all have the same mailing address. This membership does not receive Skating Magazine.
- **INTRODUCTORY MEMBER (FOR THOSE WHO HAVE NEVER BEEN A MEMBER OF U.S. FIGURE SKATING)** – Skaters who have never been a member of U.S. Figure Skating can join at a discounted rate using the Introductory membership. This membership is otherwise considered a full membership and includes Skating Magazine.
- **COLLEGIATE MEMBER** – If you are in or about to start college, university, vocational-technical or similar post-secondary education at any level, you are eligible for the collegiate membership. This category provides four years of USFS and Starlight membership with only one registration. You do not have to be in your first year of college and there is no age restriction; however, you may only use this membership category once. Provide a copy of your student ID (with effective date), or paid fee statement or letter of acceptance from the college you are or will be attending with the regular membership requirements.
- **ASSOCIATE MEMBER** – Sometimes skaters want to be members of multiple clubs. This membership allows a skater to be a primary member of a club other than Starlight, but also be a Starlight member. The club you choose as your primary club (not Starlight, in this membership category) is your connection to USFS, and provides any permission you need for testing or competitions.

COACHES – Special Coach's Registration Required BEFORE Joining Starlight

U.S. Figure Skating requires that coaches complete the coach's registration process on www.usfsa.org prior to and in addition to having a club (or individual) U.S. Figure Skating membership. The coach's registration requires that you pass a background screening and provide proof of liability insurance. Coaches are also required to complete continuing education credits **each year**. After the coach's registration is complete, you must join U.S. Figure Skating as a regular member, generally through a club, such as Starlight. For more information, see the U.S. Figure Skating website.

Coaches must be a member of both U.S. Figure Skating and the Professional Skaters Association (PSA) and current on their continuing education credits to accompany a skater to **any test, competition (qualifying and non-qualifying) or other U.S. Figure Skating sanctioned event** (that is, to receive access to the skater areas or stand at the boards). Clubs have been instructed to view each coach's registration card at each event.

MEMBERSHIP CHECKLIST:

- Please VERIFY pre-printed data or FILL IN blank fields. Print clearly. The following information is required to process your membership: Name, Address, City, State, ZIP, Gender, Birth Date, and Citizenship.

Most Starlight communication will be sent via email only (using the blind carbon copy [BCC] line for confidentiality).
- Eligibility Status – This refers to your eligibility to compete in qualifying competitions. If you are unsure whether you are eligible, ineligible or restricted, please work with your coach or USFS to determine your status.
- Confirmation of Membership Status – You will receive a USFS membership card and number direct from USFS approximately 2-3 months after you submit your registration to Starlight. If you need your member number before the card arrives in the mail, please contact the membership chair.
- CHANGING HOME CLUBS – If you already joined a USFS club for the 2016-17 season, and want to change your home club to or from Starlight mid-season, notify the membership chair. A release from home club will be requested once you submit a membership application to your desired new club.
